

MAYA

HIDDEN WORLDS REVEALED
MUNDOS OCULTOS REVELADOS

May 14 - September 5 • Mays Family Center

Plan your year-end field trip
to the Witte today!

Immerse your students in the ancient Maya
world in this engaging and fully-bilingual exhibit.

\$3 Surcharge for School Groups

BEFORE you visit, inquire...

- Who are the ancient Maya and where did they live?
- What other civilizations lived at the same time?
- Are the Maya still living today?

DURING your visit...

- Examine authentic artifacts and engage in hands-on explorations.
- Learn what the ancient Maya believed and how they told stories.
- Delve into Maya astronomy, mythology, mathematics and engineering.
- Find out what daily life was like in Maya cities.

AFTER your visit, reflect...

- What are some things the Maya invented that we use today?

- How does Maya culture continue to thrive in the modern world?
- Why is it important to study different cultures and time periods?

Maya: Hidden Worlds Revealed is generously supported by the Orr Family Foundation and the City of San Antonio Department for Culture and Creative Development.
